Use the **BEST** connection possible for High Definition (HD) TV

- Remember, your TV picture quality for HD viewing is based on the connected signal source.
- Contact your local Cable / Satellite provider for High Definition Signal availability in your area.

- Refer to the beginning pages of your User Manual for additional connection options.
- Need a cable? Philips has them at: www.shopping.philips.com/cables

Las instrucciones en español se encuentran en la otra cara.

Utilice la MEJOR conexión posible para TV de Alta Definición (HD)

- Recuerde, la calidad de imagen de su TV en HD se basa en la fuente de señal conectada.
- Póngase en contacto con su proveedor local de Cable/Satélite para consultar la disponibilidad de Señal de Alta
- Definición en su zona.
